U.S. House of Representatives Media Resources

[Radio-Television Correspondents Gallery](#) facilitates electronic media coverage of the House of Representatives. The Gallery provides facilities, information and services to broadcasters and Members of Congress.

[Daily Press Gallery](#) provides access and information to the daily (newspaper) press corps about proceedings of Congress; assists Congressional staff and Members with press related inquiries and events; main filing center and press release drop-off point for the daily print press.

[Periodical Press Gallery](#) serves Members of Congress, magazine, newsletter and online reporters as a press release distribution point, information source and work area. The Gallery issues credentials to reporters covering the daily sessions of Congress.

[House Floor Proceedings](#) A detailed schedule of House Committee meetings for the current legislative day.

[This Week on the House Floor](#) Schedule of legislation the House intends to consider this

week.

[Daily Committee Schedule](#) A detailed schedule of House Committee meetings for the current legislative day.

[Daily House Calendars](#) Daily calendars of the U.S. House of Representatives and history of legislation.

[2009 Legislative Calendar](#) Calendar of session days and district work periods.

[U.S. House of Representatives Roll Call Votes](#) are compiled through the electronic voting machine by the House Tally Clerks under the direction of the Clerk of the House.
